

it's our  
**COMMUNITY'S FUTURE**  
let's talk about it

Six Nations of the Grand River Development Corporation (SNGRDC) has partnered with Ontario Power Generation (OPG) to generate 44 MW of clean and renewable solar energy. The Nanticoke Solar Farm will be located on and adjacent to the coal yard of the formal Nanticoke Generating Station in Haldimand County.

SNGRDC would like to encourage all Six Nations members to attend an Information Session and/or submit written comments regarding the Nanticoke Solar Project.

**What:** Nanticoke Solar Information Session

**Where:** Six Nations Tourism Building, Assembly Room

**When:** Wednesday, April 5<sup>th</sup> from 5pm to 8pm

**To submit a written comment, please:**

- 1) Attend the Information Session on April 5 to complete a comment card in-person.
- 2) Complete the comment card portion of the mailer sent to every Six Nations household and return to the black mailbox outside the front doors of the Six Nations Tourism building.
- 3) Visit the Six Nations Future community engagement website at [www.snfuture.com](http://www.snfuture.com) to complete an electronic comment card.

**Please Note:** Deadline to submit a written comment is Wednesday, April 19, 2017.
