Haudenosaunee Confederacy Chiefs Council (HCCC)
c/o: Jock Leroy Hill, HCCC Secretary

Re: ITC Lake Erie Connector Project

I am writing today with a good mind, seeking important feedback on a project which we believe will provide value to our community.

We want to extend an invite to the Haudenosaunee Confederacy Chiefs Council and its members to a virtual presentation on the ITC Lake Erie Connector Project.

Six Nations of the Grand River Development Corporation will launch the community commentary period for this project on March 1, 2022. We will be sharing the merits of the proposed **ITC Lake Erie Connector Project** and offering an opportunity for our community to ask questions. These community focused sessions will continue until April 30, 2022. In an effort to remain transparent, we have engaged Dillon Consulting Limited who will facilitate the virtual sessions.

We would be pleased to organize a special virtual presentation at your convenience.

If you wish to schedule a presentation or speak to me directly, I can be reached at mjamieson@sndevcorp.ca or on cell at (226) 388-0487.
